

Resume

George M. Peaden, Jr.

George is a Senior in the Business Advisory Group of Saltmarsh, Cleaveland & Gund. Prior to joining Saltmarsh, George worked in the corporate business environment. The Business Advisory Group has comprehensive experience in providing various non-traditional accounting services. Situations in which we have assisted include insurance claims, business interruption claims, lost earnings, breach of contract and fiduciary theft, mismanagement, and waste of assets.

In addition, George has significant experience performing valuation services for Financial Institutions, Bank Holding Companies and Employee Stock Ownership Plans. George also has experience in consulting and auditing engagements. Clients served include individuals, closely held businesses and financial institutions.
