

# Resume

## J. Dennis Sherfy

Dennis has been in the banking industry since 1975. He served as Director of Loan Review Services for Stogniew & Associates, providing loan review, due diligence reviews, and other consulting services to community banks from 1995-2010. Dennis began his career with an international public accounting firm and worked in the accounting and financial reporting area of a Midwest regional bank holding company. He serves our clients as a Financial Institutions Consultant, specializing in Loan Review.
